

You're Invited!

Feeling lucky? We invite you to join in the celebration of the recently announced **Maya 7** and Alias **MotionBuilder 7** products. Come join Alias and 3DV as we take a look at powerful new features and tools that will help you tackle any project.

OMSI's newly renovated, High-Tech Auditorium overlooking the Willamette River will be the location for this highly anticipated event. Mix, mingle, eat and drink....then be prepared for an outrageous show by two of the industries finest demo artists.

Registration is required for this FREE event

	Wednesday Oct. 19th, 2005 5:00 - 6:00PM Happy Hour 6:00 - 8:00PM Demonstration 8:00 - 9:00PM Reception / Networking	OMSI In the "new" Auditorium 1945 SE Water Avenue Portland, OR 97214
---	--	--

Alias application engineers **Kevin Richards** and **Brett Ineson** will be on hand to demonstrate the latest technology enhancements and updated productivity tools. There will be lots of time for mingling - talk one on one with our technical resources, and visit with others in the industry.

Don't miss out! The first people in attendance will get a collector's item "Lucky 7" shirt. Enter to win valuable prizes - newly released Maya 7 and MotionBuilder learning products and Alias logoed poker sets.

Come early and be the first to visit the new **ANIMATION** Exhibit.

Animation is a brand-new 6,000-square-foot, highly interactive, International Touring Exhibit. FREE "sneak preview" before the event.
